

項目案例 Projects 英國樂購超市 Tesco Supermarket in London

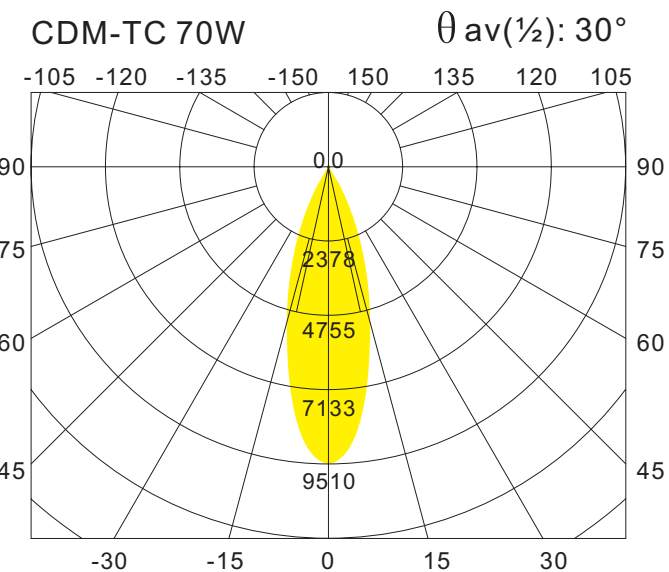

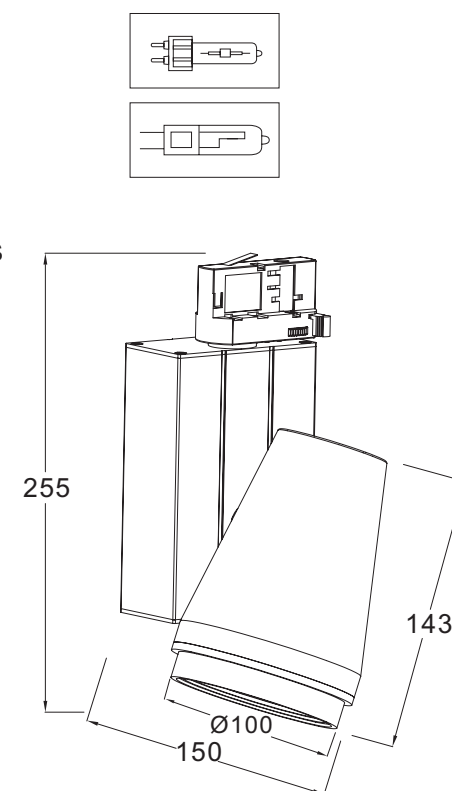

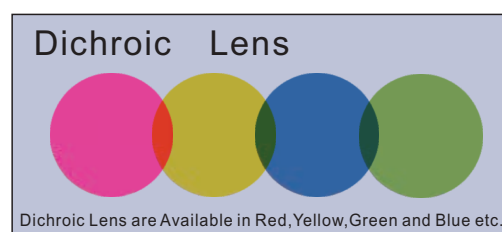

本司英國合作銷售夥伴 提供全線照明系統給當地最大連鎖超市集團 Tesco，主要照明使用我司生產的三段軌道射燈 及可調角度之筒燈，軌道燈可以靈活轉移位置及角度並且可以因應實際場地及展示貨品 而作出彈性增減，並且容易清洗及維修，心知將產品全線升級更新。在某些固定空間使用固定可調角度暗筒燈，美觀而且安裝容易。

Our sales partner in the UK supply lighting to Tesco Chain Super Markets. They selected Widegerm three phases Track light system and high efficiency recessed downlight with multiple directions movement function and flexibility
